

SLHS RoboSpartans Robotics Team

The RoboSpartans is a UIL team that is challenged each year to raise funds, design a team “brand”, hone teamwork skills, and build/program robots to perform prescribed tasks against a field of competitors. It’s as close to “real-world engineering” as a student can get. Volunteer professional mentors lend their time and talents to guide each team and we meet and build at the state of the art STEAM Center. Did you know that over 25% of MIT accepted applicants were on an FRC team?

Steps to becoming a member:

1. Fill out the information below.
2. Complete the following forms: Build site waiver, VRC Participant consent, First in Texas Photo Release. These forms can be found on the team website (www.team4639.org) under the Resources Tab.
3. Complete the online STIM registration on the FRC website (link to instructions are under the Resource Tab).
4. Submit membership fee of \$75 (checks made payable to SLHS Robotics Booster Club) Student will receive 2 t-shirts and one pair of safety glasses.

Join our Remind group: Text “@slhsr2016” to 281-769-5842 . Email us if you have any questions: slhsrobotic@gmail.com

Student will not be a member in good standing until all steps have been completed

Student Information:

Legal Student Name (**PRINT PLEASE**): _____

Grade: _____ Shirt Size: _____ Safety glasses: ___regular___over glasses Cell Phone: _____

Home Phone: _____ Birthday: ___/___/___ Student ID: _____

Student Email (**ONE YOU CHECK!**): _____

Mentor/Parent Information:

Our team is built around our mentors: we need them in order for us to be successful! It does not matter if you work in the oil industry or stay at home; there is a place and need for everyone!

Parent Names: _____

Parent Emails: _____

Phone Numbers: _____

To help us obtain grants for building our robots, please share the name of the company you work for:
